

“2nd International Conference on Emerging Trends in Multidisciplinary Research Studies (ICETMRS-2026)”

Theme: “Sustainable Learning Through Multidisciplinary Research and Technological Innovation”

Hybrid Conference: (In Person + Online)

Date: 16-17 Nov, 2026 | Location: Istanbul, Turkey

Organized by: Confworld Educational Research and Development Association

ISBN: 978-37-977929-3-8

Welcome to ICETMRS-2026

Join us at ICETMRS, a premier forum for researchers, practitioners and professionals worldwide to discuss the latest innovations, trends and challenges in multidisciplinary research.

About ICETMRS-2026

ICETMRS aims to bring together leading academic scientists, researchers and students to exchange and share their experiences and research results. This conference serves as a platform for interdisciplinary collaborations and networking.

Conference Theme

Sustainable Learning Through Multidisciplinary Research and Technological Innovation

Key Highlights

- ▶ Keynote Speeches by Global Experts
- ▶ Interactive Panel Discussions
- ▶ Research Presentations and Workshops
- ▶ Networking Opportunities
- ▶ Special Sessions on Emerging Technologies
- ▶ Publication Opportunities
- ▶ Global Perspectives on Sustainability
- ▶ Student and Emerging Researcher Engagement
- ▶ Awards and Recognition

Who Can Attend ICETMRS-2026?

Why Attend ICETMRS-2026

- ▶ Knowledge Sharing and Learning
- ▶ Networking Opportunities
- ▶ Presentation and Feedback
- ▶ Professional Development
- ▶ Interdisciplinary Exposure
- ▶ Publication Opportunities
- ▶ Innovation and Inspiration
- ▶ Career Advancement
- ▶ Cultural Exchange
- ▶ Recognition and Award

Session tracks / Call for Papers

ICETMRS-2026 offers a diverse array of session tracks designed to provide comprehensive insights and foster discussions across various disciplines.

We invite researchers, academicians and professionals to submit their papers. Topics of interest include, but are not limited to:

Session 1: STEM (Science, Technology, Engineering & Mathematics)

- Advances in Physics
- Aerospace Engineering
- Agricultural Science and Technology
- Applied Chemistry
- Architecture
- Artificial Intelligence
- Biochemistry
- Bioinformatics
- Biotechnology
- Bioengineering
- Civil and Structural Engineering
- Cloud computing and cybersecurity
- Computational Sciences and Simulation
- Data Science and Big Data Analytics
- Electrical Engineering
- Electronics and Communication Engineering
- Environmental Science and Climate action
- Fisheries and Aquatic Sciences
- Food Science and Technology
- Genetic Engineering
- Industrial Engineering
- Information Management (IM)
- Information System (IS)
- Information Technology
- Internet of Things (IoT)
- Machine Learning
- Marine Engineering
- Material Science
- Mathematics
- Mechanical Engineering
- Microbiology
- Molecular Biology
- Nanotechnology
- Nanotechnology
- Robotics and Automation
- Statistics
- Smart Grid Technologies
- Sustainable Energy
- Veterinary Science

Session 2: Education, Teaching-Learning relationship

- Assertive Educational Technology
- Assistive Educational Technology
- Comparative Education
- Cultural Literacy
- Curriculum Studies
- Distance Education
- Early Education
- Education and Counselling
- Education and Public Policy
- Educational Change
- Educational Policy
- Educational Psychology
- Educational Research and Statistics
- E-learning
- Extra-Curricular Activities
- Health & Sports Education
- Information & Library Science
- Innovative Education
- International Exchange Programs
- Language Education
- Liberal Education
- Mathematics Education
- Medical Education
- Mentorship & Professional Guide
- Multicultural & Intercultural Communications
- Physical Education
- Planning and Practice
- Quality and Standards in Educational Curriculum & Pedagogy
- Science & Technology Education
- Secondary Education
- Special Education and Technology Education
- Student Support
- Student -Teacher Relationship
- Teacher Role in Learning Process
- Tertiary Education

Session 3: Life Science and Innovation

- Biology
- Biomedical Devices
- Bionanomaterials
- Biopharmaceutics
- Botany
- Cellular Biology
- Computational Biology
- Drug delivery
- Drug discovery
- Ecology
- Evolutionary Biology
- Genomics
- Microbiology and Environmental Biology
- Nano remediation & Clean Environment
- Nanomedicine
- Oil, Gas & Renewable Energy
- Organic Chemistry
- Pharmaceutical Chemistry
- Pharmaceutics
- Pharmacognosy
- Pharmacology
- Phytochemistry
- Proteomics
- Toxicology
- Zoology

Session 4: Social Science and Humanities

- Anthropology
- Archaeology
- Arts, Literature and Creative Expression
- Criminology and Legal Studies
- Cultural and Ethics Studies
- Demography, Development studies
- Economics
- Educational Theories and Learning Practices
- Environmental Humanities and Social Impact
- Gender Studies
- Geography
- Health, Wellness and Society
- History
- Human Rights and Social Justice
- Journalism
- Law
- Linguistics and Language Studies
- Library science
- Mental Health
- Media Studies and Communication
- Philosophy and Ethics in Contemporary Society
- Performing arts (Music, Theatre & Dance)
- Political Science and Public Policy
- Psychology
- Public Health
- Religious studies
- Relationships & The Family
- Sociology of Technology and Digital Societies
- Urban Studies and Community Development

Session 5: Business & Management Studies

- Branding and brand management in the modern market
- Business models for Economic growth
- E-banking
- E-Commerce
- E-Business and E-Government
- Financial inclusion and inclusive growth
- Foreign Direct Investment
- Global HRM - Issues and Challenges
- Human Resource Management
- Integrated Logistics and Supply Chain Management
- Leadership
- Logistics, Aviation and Transportation in Digital Age
- Managing Employee Wellbeing
- Motivation and Empowerment
- Service Quality and Innovation
- Strategic Management and Organizational Leadership
- The role of government and policy in supporting entrepreneurship
- Team Performance Management
- Tourism and Hospitality Management

Session 6: Finance, Accountancy and Marketing

- Advertising & Marketing Communication
- Compliance and Regulation
- Cryptocurrencies and Blockchain
- Decentralized Finance (DeFi)
- Digital marketing strategies and trends
- E-commerce and Shopping Experience
- Emerging Issues in Marketing
- Emerging Technologies in Finance
- Financial Accounting
- Financial Engineering
- Financial Frauds
- Fintech innovations and digital currencies
- Foreign direct investment (FDI) and emerging markets
- Global Finance and Currency Markets
- Green Finance
- Marketing in Emerging Countries
- Marketing Innovations and Analytics
- Modern Finance
- Product & Brand Management
- Retail Marketing
- Services and Relationship Marketing
- Social media marketing and influencer culture
- The role of AI and automation in marketing
- Tourism and Hospitality Marketing, Marketing in Metaverse
- Transformative Consumer Research

Session 7: Sports and Physiotherapy

- Advancement in Physiotherapy
- Advances in Sports Science and Technology
- Applied Physiotherapy and Exercise
- Artificial Physiotherapy Methods
- Athletic training and injury prevention
- Augmented reality (AR) and virtual reality (VR) in Exergames
- Virtual Sports
- Health and Fitness
- Machine Learning in Sports Performance Prediction
- Neural Networks and Big Data Analysis in Sports
- Physical Activity and Community Health
- Physiotherapy in Sports Related Injuries
- Physiotherapy Innovations for Sustainable Health
- Physiotherapy methods and Instrumentation
- Rehabilitation and Recovery Technologies in Sports
- Sports and exercise psychology
- Sports Biomechanics
- Sports Education and Physiotherapy Training
- Sports Medicine and Injury Management
- Sports Nutrition
- Sports Psychology and Mental Wellness
- Sports Science

Uniting Scholars, Enhancing Research

Submission Deadlines

Register early for ICETMRS-2026 to enjoy exclusive benefits. Contact us to learn more.

Submission Guidelines

Present your research at ICETMRS-2026 and publish your research work.

CONFERENCE PROCEEDINGS

All accepted and registered abstracts will be published in the Conference Proceedings with an ISBN Number, ensures global accessibility and recognition

JOURNAL PUBLICATION

Submit your high-quality paper to various internationally indexed journals including Scopus and Web of Science, to increase the visibility and impact of your research

ABSTRACT SUBMISSION GUIDELINES

- Describe the original work in the abstract.
- Write in English, one paragraph, up to 150 words.
- Include a brief biography (template provided).
- Submit as an MS Word (.doc or .docx) document.
- Title, Author's Names, Affiliations should be centered, underlining the presenting author, with corresponding author email.
- Acknowledge receipt via email within three working days.

Conference Proceedings

- Submit if your abstract is accepted and registration fee is paid. Manuscript: 6-8 pages, double-column format, in English, free of grammar and language errors.
- Properly named tables, figures, and images.
- Title, Author's Names, Affiliations centered, underlining the presenting author, with corresponding author email.
- Abstract not more than 150 words.
- Minimum 5 keywords in lowercase italics, separated by commas.
- Include country in affiliations.
- Structure: Background/Introduction, Motivation and Objectives, Statement of Contribution/Methods, Results, Discussion and Conclusion, Funding statement, Acknowledgements.
- References: Min. 35, in Chicago style, consecutively numbered, cited in text using numbers in square brackets.
- Submit as an MS Word (.doc or .docx) document.

Publication in Journals

At ICETMRS-2026, our rigorous publication process ensures that your research is vetted, validated and made accessible to a global audience. From submission to publication, we prioritize excellence and integrity.

SCIE Journals Publication

Opportunity in Premium publishers Journal which are indexed in SCIE Regular Issue

Scopus Journals Publication

Opportunity in Journals which are indexed in Scopus Regular Issue

Web of Science Publication

Web of Science subscription-based service gives you access to numerous databases with citation data for academic areas

Publication in Conference Proceedings

Scopus Proceedings

For scientific journals with the world's largest abstract & citation database for successful journals, conference proceedings

Web of Science | CPC

The most powerful research engine, guided by the legacy authors of the world's first citation index of various academic disciplines

Proceedings & Publications

All the accepted and registered papers will be published on conference proceeding with unique ISBN

Note: ICETMRS-2026 Proceedings will be submitted to the Web of science Book citation index (BkCI) and Scopus for evaluation and indexing purposes (T&C)* apply.

All the accepted and registered papers will be published in relevant Scopus/WoS journals.

Registration Fees

PHYSICAL (ONSITE) PARTICIPANTS	EARLY BIRD (USD)	FINAL (USD)
Academicians/Delegates/Research scholars/PhD Candidates	450	500
UG/PG Students	400	450
In-Person attendance/Listener (Non-Presenter)	300	350

VIRTUAL (ONLINE) PARTICIPANTS	EARLY BIRD (USD)	FINAL (USD)
Academicians/Delegates/Research scholars/PhD Candidates	150	200
UG/PG Students	100	150
In-Person attendance/Listener (Non-Presenter)	90	100

*Scopus Publication (Additional Cost will be included)

Kindly check the website for more details <https://icetmrs.com/registration-fees>

Bank Details (For Bank Transfer) Offline Payment

Beneficiary Name:	Confworld Educational Research And Development Association
Bank Name:	HDFC Bank
Account Number:	50200097123575
IFSC Code:	HDFC0000124
Swift Code:	HDFCINBBCHE
Branch:	Kilpauk, Chennai, Tamil Nadu, India

After Payment Download the Registration Form fill it and send to info@icetmrs.com

Register Now!

Don't miss your chance to be part of this prestigious event. Register early to secure your spot and take advantage of earlybird discounts. Visit our website at <https://icetmrs.com> for more details on registration and travel arrangements.
